

PROFESSIONAL EXPERIENCE

BERGER SINGERMAN LLP, Miami, FL

Aug. 2007–Present

Partner

Represented clients in all aspects of complex commercial litigation actions, including defense of RICO claims, commercial disputes, fraud actions, bankruptcy-related litigation, representation of court-appointed fiduciaries, employment litigation, restrictive covenant injunction litigation, and ADR proceedings. Drafted pleadings, motions, and discovery requests. Supervised and mentored associate attorneys. Prepared clients for depositions, mediation, and trial, defended and prosecuted depositions. Argued motions relating to discovery disputes, case-dispositive motions, evidentiary matters, and ESI-related spoliation motions. State and federal jury and bench trial experience. Supervised, quality checked, and organized complex document review projects.

Representative Engagements:

- Litigated discovery dispute regarding access to data held on a proprietary cloud storage platform, including extensive litigation of third privacy rights in federal bankruptcy court.
- Represented multiple court-appointed receivers appointed based upon defendant's violations of Florida's Deceptive and Unfair Trade Practices Act (Chapter 501, Fla. Stat.), and the FTC Act.
- Represented victims of data breaches related to their reporting and compliance obligations under state and federal law, including HIPAA, HITECH, and developed litigation defense strategy.
- Defended Fortune 1000 company in litigations in multiple state and federal district courts related to alleged consumer fraud.
- Represented employers in injunction actions related to violations of restrictive covenants, tortious interference.
- Drafted privacy policies and terms of use policies for web sites.
