The next \$2,300 of each contribution from an individual will be allocated to Obama for America and will be considered designated for the general election. The next \$28,500 of each contribution from an individual will be allocated to the Democratic National Committee. Any contributor may designate his or her contribution for a particular participant. (Participants are Obama for America and the DNC). The allocation formula above may change if any contributor makes a contribution that, when allocated, would exceed the amount that the contributor may lawfully give to either participant.
