### Budget Adjustment Policy

The federal government requires all universities to set a cost of attendance (COA) for its students based on a nine-month academic year. Universities use this figure as a basis for awarding financial aid. NYU recognizes that a student's total expenses for the academic year may exceed the NYU standard COA. This appeal form allows the financial aid office to examine selected **education-related** expenses and evaluate your option for additional loan funding. In some circumstances, the financial aid office is allowed to exercise professional judgment to make adjustments to the standard COA. Adjustments must be reasonable, supported by appropriate documentation and must have occurred while the student is in attendance at NYU Stern. Please see below for instructions:

Budget Item	Required Documentation
Childcare	Receipt and Notarized Statement. Adjustments will only be made for the time periods in which the student is attending class. Include letter noting the hours of care.
