New York City is home to major sectors of the entertainment and media industries, including major media conglomerates, network television, independent film, book and magazine publishing, advertising, and two of the largest cable companies. This cross-school minor includes courses from Stern School of Business, Tisch School of the Arts, and Steinhardt School of Culture, Education, and Human Development. It provides a foundation in the business aspects of media and entertainment and how technology impacts these industries. Students take electives from areas that deepen their knowledge base and understanding of these industries.

Stern students cannot count a required course from the business core or for their major towards the minor.

Important policies:

- The minor in the Business of Entertainment, Media and Technology will be earned by completing a minimum of 16 credits of the following courses below.
- A minimum grade of C is required for all courses intended to count toward the BEMT minor, and the minimum overall GPA in the minor is 2.0
- The 16 credit minimum is required and non-negotiable
- Eight credits must be earned from Stern. The remaining eight credits must be earned from Tisch and/or Steinhardt.
- Note: Stern Undergraduate students cannot double count required business core or major courses toward this minor. For Non-Stern Students, please refer to your home school advising center’s policies.

I. Choose eight required credits from Stern:
