# HOW TO USE YOUR FINANCIAL AID TO PAY YOUR TUITION

**\*\*Please read the following information before you fill out the reverse side of this form.\*\***

There are several types of financial aid that can be used towards the payment of your tuition charges each semester. These are:

- ✓ **Federal Unsubsidized Loan**
- ✓ **Federal Graduate PLUS Loan**
- ✓ **Private Loan**

Please read the following information to determine which type of financial aid you have and indicate it on the reverse side of this form:

## **Federal Unsubsidized Loan**

*If you are certified as eligible for a Federal Unsubsidized Loan, a credit for the semester portion of the loan will be available in your Bursar account. To be eligible, you must be enrolled at least half-time (a minimum of six credits per semester). This credit will enable you to register without the actual loan receipt of the proceeds, (which occurs about ten days prior to the start of the semester).*

## **Federal Graduate PLUS Loan**

*You may only include the Federal Graduate PLUS Loan as part of your payment if you have been approved for the loan by the Department of Education. Do not include the Graduate PLUS Loan source unless you have received a credit approval notice via email from the Department of Education.*

## **Private Loan**

You may only include a private loan as part of your payment if you have been approved for the loan by both the Stern Financial Aid Office and the private lender. Do not include any private loan sources unless you have received an approval notice from the lender. If a paper loan check is received, you will be emailed by the Stern Bursar to come and endorse your student loan check.

**PLEASE NOTE: If you receive additional financial aid after you have already settled your account with the Bursar's Office, you must notify the Bursar's Office of the additional funds to your account.**
