A screenshot of the 'Complete your profile' form on the CampusGroups website. The form is titled 'Complete your profile' and asks the user to 'Please enter your profile information:'. The fields include: 'First name' (CampusGroups), 'Last name' (Support), 'Gender' (Male), 'Email' (support@campusgroups.com), 'School' (Yale), 'Degree', 'Month of graduation' (- Select -), and 'Year of graduation' (Not applicable). There are yellow highlights on the email field and a note that says 'If you are a school student/staff/faculty, please enter your school email address (yale.john@campusgroups.com)'. At the bottom, there is a note 'Will establish whether you are a current student or an alumni.' and buttons for 'Required fields', 'Cancel', and 'Submit'.

Please note that depending on the group policy, to become a member your memberships need to be validated by the group officers. You will receive an email once an officer has validated your account.
