- Completed Loan Assistance Program pre-application.
- Personal statement, not exceeding 500 words, describing the organization, the nature of the position, your reasons for taking the position, the contributions you are or will be making to the organization using your MBA skills, and your long-term career goals. This information may be shared with program donors.

- Verification of total student loan balance at graduation and current outstanding loan balance from lenders or servicers, including a summary statement of total outstanding loan balances, required monthly repayment (if known) and history of previous loan payments (if any). This information must be current and can be pulled from the National Student Loan Data System (<http://www.nslds.ed.gov>) for federal loans. For private loans, you will need to contact your lender directly for this information. Please note you must have a current student loan balance to be eligible to apply. Other types of loans are not eligible.
