ALUMNI GUIDE

Welcome, Sternies!

You are now part of one of the largest, most successful alumni bodies of any business school in the world. Our powerful network of over 105,000 Sternies in more than 125 countries, including 500 CEOs, opens doors for you in virtually any industry, almost anywhere in the world.

We are here to support you through all stages of your career. Stern's Career Center for Working Professionals offers an array of life-long career services for alumni, including career coaching, panel discussions, resume reviews and job postings. We offer industry-specific networking events, gatherings tailored to special interests, and fun get-togethers for the entire alumni community. Each year we welcome new alumni with events in New York and in cities across the United States and world, and invite them to return to campus for a one-year reunion in the Spring.

The Alumni Relations team is dedicated to helping you stay connected to the Stern community. Start by updating your contact information and being part of the #SternAlumni conversation on Facebook, Instagram and LinkedIn.

If you have any questions, please contact our team at alumni@stern.nyu.edu.

Sincerely,

Sarah S. Marchitto
