

Internship Opportunity – Sustainable Winery Financing Project

The NYU Stern Center for Sustainable Business (NYU Stern CSB) is assisting a notable Stern alumnus hire a Stern MBA intern to start immediately on a unique and exciting project. The intern will assist with developing an equity offering on a crowd funding site for a sustainable winery. Activities will include reviewing companies in the equity capital raising space, analyzing them and providing recommendations on one to move forward with, and providing assistance with completing the relevant application materials (including deck creation, marketing materials and financials).

Background in sustainability and capital markets/investment banking required.

This is a paid position (\$17/hour) for approximately 5-10 hours a week until project completion.

To apply, please email NYU Stern CSB Senior Associate Director Sophie Rifkin (srifkin@stern.nyu.edu) with cover letter and resume. Resumes will be screened by the NYU Stern CSB and then passed to the firm for interviews and to complete the hiring process.

Please use email subject line **Application: Sustainable Winery Financing Internship**

Application deadline: November 10th
