

# Memorandum

**Date:** Friday, April 21, 2017

**To:** The Leonard N. Stern School of Business Community

**From:** President Andrew Hamilton and Provost Katherine E. Fleming

**Re:** The Search Committee for a Dean of the Leonard N. Stern School of Business

As a first step in identifying a successor to Peter Henry as Dean of the Leonard N. Stern School of Business, a faculty-led Search Committee has been formed. Its members are named below.

Batia Wiesenfeld, department chair and Andre J.L. Koo Professor of Management, has agreed to chair the committee. We are grateful to her and the other members of the Committee for agreeing to undertake this time-consuming and important work, even as they continue their classes, research and other activities. We are confident they will identify and recommend outstanding candidates.

The Committee will hold its first meeting May 3, and Stern representatives on the Committee will reach out to the wider Stern community soon after to seek input before the end of the academic year. Many of you have wide-ranging networks and might therefore suggest qualified candidates for the Sterndeanship. The Committee would welcome your input, as well as any questions you may have regarding the search process. Nominations, questions and other recommendations can be forwarded to Professor Batia Wiesenfeld and the Search Committee at [stern.deansearch@nyu.edu](mailto:stern.deansearch@nyu.edu). We and the Committee look forward to hearing from you, and thank you in advance for your participation in this important process.

As the Committee begins its work, let us once again thank Dean Henry for his many contributions and outstanding service to the School and the University.
