• For at least 10 years
• While making 120 qualifying monthly payments
• After October 1, 2007

Qualified Employment

- Full-time employment in any position with a public service organization
  - Not including staff of for-profit contractors working for public service organizations
  - Job duties DO NOT matter (except for time spent participating in religious instruction, worship services, or any form of proselytizing)
  - Borrowers can work at multiple organizations while making the required 120 payments
- Full-time AmeriCorps or Peace Corps position

Definition of “Full-time” Employment

For purposes of eligibility for PSLF, full-time employment is defined as:

Working in qualifying employment in one or more jobs for the greater of:

- An annual average of at least 30 hours per week (or for a contractual or employment period of at least 8 months, an average of 30 hours per week); or
- Unless the employment is with two or more employers, the number of hours the employer considers full-time

Employer-provided vacation or leave time is equivalent to hours worked in determining whether you meet the full-time employment requirement. This includes leave taken for a qualifying condition under the Family and Medical Leave Act of 1993.

Note: When determining full-time public service employment at a not-for-profit organization you may not include time spent participating in religious instruction, worship services, or any form of proselytizing.

- Direct Subsidized Loans
- Direct Unsubsidized Loans
- Direct PLUS Loans (for parents and graduate or professional students)
- Direct Consolidation Loans
  - Borrowers may choose to consolidate loans to establish eligibility for PSLF
- Special Direct Consolidation Loans

Eligible Repayment Plans

Qualifying monthly payments must be made under these plans:

- Makes payments under one or more of the eligible repayment plans (referenced on slide 13)
- Is full-time employee of public service organization while making required payments and at time forgiveness is requested and granted

Frequently Asked Questions

I consolidated my Direct Loans after I made qualifying monthly payments on those loans while working in a qualifying public service organization. Do the payments made prior to the consolidation count toward the 120 payments required for PSLF?

No. You will need to make 120 qualifying payments on the new Direct Consolidation Loan. Qualifying payments that you made on Direct Loans prior to consolidation do not count toward the 120 required payments for PSLF.

Under IBR, ICR, REPAYE and PAYE the scheduled payment for a borrower could be $0. Does this payment count as towards PSLF?

Yes, this is considered a qualifying payment under that repayment plan.

Frequently Asked Questions

Do I need to have the same job while making all of the required 120 payments for PSLF and still be eligible for forgiveness?

No. However, you must provide documentation that demonstrates that you were employed full-time by one or more public service organizations during the period of time you made each of the required 120 separate, monthly payments, and at the time you apply for and receive loan forgiveness.

Does full-time volunteer service for a public service organization qualify for PSLF?

No. Unless you are an AmeriCorps or Peace Corps volunteer, you must be a full-time employee who is hired and paid by a public service organization.

Who is eligible to complete Section 3 of the Employment Certification Form?

The Employment Certification Form (ECF) must be completed by someone who has access to the borrower’s employment or service records, is authorized by the organization to certify the employment status of a current or former employee or service member, and is able to provide all necessary data requested in Section 3 of the ECF.
