

REQUEST TO RETURN LOAN FUNDS FORM

Students and parents have the right to cancel a loan at any time prior to disbursement. Once the loan proceeds have been disbursed to the school, the student/borrower may return/cancel a portion of the loan via the form below. To avoid incurring interest charges and loan fees, funds must be returned and processed by the loan servicer within 120 days of disbursement. Thus, this form must be submitted no later than 110 days from the date of your loan disbursement.

NOTE: Please attach a check made payable to New York University in the amount of the loan you wish to cancel/reduce. If you wish to cancel/ reduce the loan by the amount of a refund check that was issued by the Bursar’s Office, please attach the original check to this form; or if you have already cashed the refund check, attach a check in that amount.
