STERN UNDERGRAD SOCIAL IMPACT STIPENDS

Since the summer of 2006, the Stern Undergraduate College has awarded approximately \$200,000 to more than 130 Stern Undergrads who have used their business education to create “shared value” by tackling 21st century real-world challenges. SI Stipend program participants volunteer with nonprofits, intern with government agencies, and explore the creation of their own social ventures during every semester and break period.

This is a competitive, application based program, and a limited number of stipends are available. The number of stipends awarded and the stipend award amounts vary by a number of factors, including *but not limited to*: individual experience, length of time, need for travel, and award cycle.

On *average*, the number of stipends awarded and the amounts per cycle are:

- Fall semester (14 weeks) – 4 awarded, \$1,000 each
- Winter Break (5-6 weeks) - 4 awarded, \$600 each
- Spring Semester (14 weeks) - 4 awarded, \$1,000 each
- Spring Break (1 week) - 4 awarded, \$400 each
- Summer (14 weeks) - 6 awarded, \$3,000 each
