

Stern Cohort Program

Overview

The purpose of the Cohort Program is to foster community at Stern both inside and outside of the classroom. Students begin their cohort experience at New Student Orientation and continue to build their cohort communities through curricular, co-curricular and social activities.

Cohort Community Building Activities

Students begin their cohort experience at New Student Orientation and are brought together with their classmates, as well as upper class students in their cohort, throughout the fall semester through a series of Cohort Mingles. The Office of Student Engagement is working with Student Council to create engaging events for the cohort community for the spring of 2014.

Fall Cohort Mingles

In the fall of 2013, each cohort will have an interclass mingle at the NYU Torch Club. These events will bring together all members of the cohort across all classes with the intention to encourage networking and future cross class collaboration. The Cohort Directors from each cohort will work to coordinate their cohort event, from 5:00p.m.-7:00p.m. on one of the following dates:

Tuesday, 9/24/2013
Thursday, 9/26/2013
Tuesday, 10/1/2013
Thursday, 10/3/2013
Thursday, 10/17/2013

Wednesday, 10/24/2013
Wednesday, 10/30/2013
Wednesday, 11/6/2013
Tuesday, 11/19/2013
Wednesday, 12/11/2013

The dates will be updated with the coordinating cohort as soon as they are confirmed.
