The Entrepreneurs Challenge at NYU Stern School of Business is one of the largest and most innovative accelerator programs in the world. Five hundred students and alumni from fourteen schools across New York University compete for more than \$200,000 in cash and start-up venture services. You'll experience fast-paced workshops, grueling boot camps, and intense coaching sessions designed to teach you the step-by-step process of imagining a powerful market disruption and transforming it into reality.

Disruptors Wanted

The NYU Stern New Venture Competition is the premier platform for identifying, nurturing and showcasing entrepreneurial talent at NYU. The competition challenges aspiring business owners and those excited by the new venture startup process, to take their ideas, from concept to market. The NYU Stern New Venture Competition winners share the **\$75,000 Rennert Prize**.

Each year, NYU students, faculty and researchers create scores of cutting edge inventions across the information technology, life science and clean tech sectors. The NYU Technology Venture Competition, sponsored by the NYU Innovation Venture Fund, serves as a catalyst for the formation of new and the acceleration of existing early stage startups based on these exciting innovations. Winners share a **\$75,000 prize**.

Now in its 11th year, the NYU Stern Social Venture Competition was started to recognize and support the growing number of students and alumni interested in using their business and entrepreneurial skills to create innovative approaches to tackling social problems, here and abroad. Social Venture Competition winners share a **\$50,000 prize** to help launch their ventures.
