MANAGEMENT EXPERIENCE [Selected]

CHASE MANHATTAN BANK, New York, N.Y.

1989-1996

Vice President, Strategic Planning and Reengineering

1993-1996

Led eight professional staff to create a new strategic planning process to identify cultural, organizational, and consumer banking industry barriers to the redirection and elimination of functions performed by 600 branches.

Led a cross-functional team to create a Customer Identification system that reduced losses and processing costs by \$12MM.

Conducted tests of biometric technologies with consumers, a first in a U.S. retail environment. Developed systems to move new technologies from concept to implementation in record time.

Vice President, Retail Branch Manager

1991-1993

Managed the integration of a savings bank with an international high net worth clientele. Tapped to turnaround a branch in three months so that the District would place number one in the Bank.
