

Cost of Attendance Appeal Form

Name: _____ N#: _____

3. If your cost of attendance appeal is approved, it will *not* automatically increase your financial aid. If approved, your budget allows for additional loans. Choose one below:

____ I am a **private loan borrower**: I understand that I must apply directly with my selected lender. Note if you are approved, review the terms and conditions of the private student loan offer and discuss any questions you have with your lender. If you agree with the terms of your loan, sign a loan agreement with your lender and complete any additional steps they require. Your lender will then send the loan certification to the NYU Central Financial Aid Office.

____ I am a **federal loan borrower**: I would like NYU to suggest federal loans based on my new eligibility. Note that you must apply for an additional loan. Instructions will accompany your financial aid offer. As all federal loans must be disbursed before the end of the term, this form must be submitted at least one month prior to the end of the semester to allow for processing time. In addition, students are also required to accept the loan on their Albert Student Center, complete any required documentation for the loan on studentaid.gov, and take care of any holds or items on their Albert To-Do list in a timely manner to allow for disbursement before the conclusion of the term.

____ Please adjust my budget, but do not suggest additional loans.
