NYU Stern Andre Koo Technology and Entrepreneurship MBA Class of 2023 Employment Report

NYU Stern's Andre Koo Technology and Entrepreneurship MBA Program is a full-time, STEM-designated MBA degree completed in 12 months, minimizing time out of the workforce. The program is designed for students with a passion for technology and innovation, who want to strengthen their business foundation while gaining technical and business knowledge to accelerate their careers. During the program, students are able to leverage and directly apply skills and learnings in this rapidly changing global landscape through Stern Solutions projects, company visits and skill-building workshops, as part of the built-in experiential curriculum. Projects are conducted in partnership with the Tech MBA Advisory Board companies in addition to other top names in technology and growing startups.

Andre Koo Tech MBA students have applied the tools of business such as product strategy, design thinking and analytics gained at Stern to real-world settings with various industry partners. Through connections with Stern alumni, local treks in both the New York City and West Coast markets, and the School's deep industry connections, Andre Koo Tech MBAs will be joining organizations at the forefront of innovation and technology, from agile startups to mature tech companies.
