

**Jinu Koola** is the Head of ESG Analytics at Norges Bank Investment Management (NBIM). NBIM manages the Norwegian sovereign wealth fund, which has over USD 1 trillion under management, across listed equities, fixed income and real estate. ESG Analytics is responsible for driving the integration of ESG data into the investment process. Prior to joining NBIM, Jinu was at the U.S. Treasury for five years, and served as the U.S. Financial Attaché to India from 2015-2017. Jinu has a broad range of policy and research experience from the World Bank, the Gates Foundation, and MIT's Poverty Action Lab. Jinu received a B.A. and M.A. from Harvard University. She is a term member at the Council on Foreign Relations and a member of the Principles for Responsible Investment Listed Equity Advisory Committee.
