

## Biography

### **Christopher Woods**

Managing Director, Governance & Policy

---

Chris is Managing Director of Governance and Policy at FTSE Russell. Chris is responsible for ensuring that the methodologies and processes underpinning FTSE Russell's products meet industry best practice, and that FTSE Russell indices comply with the principles for financial benchmarks published annually by IOSCO and the European Commission's Benchmark Regulation commencing from January 2018

Chris is a member of the FTSE Russell Product Governance Board which reviews all new products and modifications to existing products, and maintains FTSE Russell's roster of global practitioner committees which advise FTSE Russell on index methodology matters. Chris is also responsible for co-ordinating FTSE Russell's Academic Advisory Board, whose members are highly respected academics, and he leads the preparations for FTSE's annual conference, the World Investment Forum.
