Company Sponsorship & Reimbursement

- **Company Sponsorship**: employers pay student’s tuition directly to the Stern Bursar
  - Considered a form of financial aid and is factored into a student’s COA
  - Student must submit a letter or voucher from their employer to the Stern Bursar every semester
- **Company Reimbursement**: students are reimbursed by their employer (this is a transaction between the student and their employer and does not involve NYU)
  - Not considered a form of financial aid and is not factored into a student’s COA
  - Employers typically pay students after grades have been submitted, so a student will have to make payment by the payment deadline
  - Students may make payments out of pocket and receive a refund or take out student loans and then return the funds once the reimbursement is received
