

## Stern Open Access List Fall 2015

## Important Registration Policies:

- Non-Stern students who have met prerequisite requirements and class standing restrictions will be able to register for the following Stern courses on Albert, space permitting, on the assigned Open Access dates (noted in far right column.) Please note: exceptions are not made to class standing restrictions, and prerequisites cannot be waived.

- Visiting Students must request registration for Stern courses through the Office of University Programs. Visiting students must provide syllabi and transcripts of courses they seek to count as prerequisites.

- Business Core courses (e.g. - ACCT-UB 1, FINC-UB 2, etc.) are highlighted in red and have specific sections that are available for non-Stern students. The other sections of these courses are not available for cross school registration. All sections of the other courses listed are elective and will open university-wide, space permitting, on the noted dates.
