

# NYU Stern Fashion & Luxury MBA Class of 2022 Employment Report

NYU Stern's Fashion and Luxury MBA program is curating the next guard of industry executives. As the first US business school to offer this MBA, Stern's full-time, 12-month program enables students to create a focused portfolio of enriching industry experiences through impactful company partnerships. Through this, students are able to expand their industry connections and align themselves with fashion's most iconic companies, brands and leadership teams.

Stern's unparalleled immersive curriculum hones in on diverse branding, digital initiatives, supply chain, and analytics within the fashion and luxury sectors in New York City and Europe. Through this unique course load, students graduate already having applied their learnings towards solutions in today's everchanging marketplace. The Fashion & Luxury Council supports students through 1:1 mentorships, sharing job leads and offering networking opportunities. Stern has become a go to for employers in beauty, fashion, apparel manufacturing and retail technology seeking passionate, innovative and compassionate leaders yearning to make a difference in the industry.
