

## Our Mission

The Lesbian, Gay, Bisexual, Transgender, Queer/Questioning (LGBTQ) Alumni Group aims to create unparalleled opportunities for every member of the NYU Stern LGBTQ community – including prospective students, current students, and alumni – to engage with and support one other and diversity at NYU Stern.

## Structure

## Overview

- The goal of the LGBTQ Alumni Group is to foster a cohesive and supportive NYU Stern LGBTQ alumni community
- General body members are invited to attend all events hosted by the Alumni Group and to meet as needed at the discretion of the Executive Committee
- There are volunteer opportunities for general body members at events and programs, and updates from the executive committee will be provided quarterly

## Annual Programming

### **ROMBA Alumni-Student Networking Reception**

Hosted in partnership with the Office of Student Engagement to bring together LGBTQ alumni and current students during the Reaching Out MBA (ROMBA) conference.

## **Executive Committee Goals**

1. Create LGBTQ alumni engagement through professional and social programming and events
2. Generate LGBTQ alumni philanthropic engagement and volunteerism naturally by increasing the feeling of connection to their alma mater
3. Collaborate with other Stern alumni committees to create strategic partnerships and programming opportunities that span multiple affinity groups

## **Executive Committee Expectations**

- Members of the Executive Committee will serve **two-year terms**, and may serve longer at the invitation of Stern Alumni Relations.
- The Executive Committee and the Office of Alumni Relations will generate an annual plan on or before July 1 for the following academic year.
- Members should regularly attend meetings; should a member miss two consecutive meetings, continued membership will be evaluated by the Chair and the Office of Alumni Relations.
- Members should attend at least two Committee hosted and sponsored events per academic year.
- Members should **serve as ambassadors** for the Stern School of Business when speaking with members of the public or community (ie: prospective students, fellow alumni, business leaders, etc.)
- Members should drive the execution of deliverables in order to facilitate the achievement of Committee goals.
- Members should accelerate the School's strategic vision by making a gift to the Annual Stern Fund.
