## **Executive Committee Goals**

1. Lead the general body in engaging through our four pillars of focus
  - I. Social Connections
  - II. Philanthropy
  - III. Thought Leadership
  - IV. Lifelong Learning
2. Provide insight and support in areas of event planning, membership and philanthropy

## **General Body Group Expectations**

- Foster a cohesive and supportive NYU Stern Recent Graduate alumni community
- Create recent graduate engagement through professional and social programming and events
- Generate recent alumni philanthropic engagement and volunteerism naturally by increasing the feeling of connection to their alma mater
- Collaborate with other Stern alumni committees to create strategic partnerships and programming opportunities that span multiple affinity groups
- Members are expected to regularly attend meetings. Should a member miss two consecutive meetings, continued membership will be evaluated by the committee Chair(s) and the Office of Alumni Relations.
- Members should accelerate the School's strategic vision by making a gift to the Annual Stern Fund.
