

**Thomas J. Sargent** is the W.R. Berkley Professor of Economics and Business with a joint appointment at the NYU Stern School of Business and in the Faculty of Arts and Sciences. He was awarded the 2011 Nobel Prize in Economics (shared with Princeton University's Christopher Sims) for his empirical research on cause and effect in the macroeconomy.

Professor Sargent is past president of the American Economic Association, the Econometric Society, and the Society for Economic Dynamics. He is a Fellow of both the National Academy of Sciences and the American Academy of Arts and Sciences. He earned his Ph.D. from Harvard University in 1968, and his B.A. from the University of California at Berkeley in 1964. He was a professor of economics at the University of Minnesota from 1975 to 1987, the David Rockefeller Professor at the University of Chicago from 1992 to 1998 and the Donald Lucas Professor of Economics at Stanford University from 1998 to 2002. He has been a Senior Fellow at the Hoover Institution since 1987.

Among his books are *Rational Expectations and Econometric Practice*, with Robert E. Lucas Jr., University of Minnesota Press, 1981; *The Conquest of American Inflation*, Princeton University Press, 1999; *The Big Problem of Small Change*, with Francois Velde, Princeton University Press, 2002; *Recursive Macroeconomic Theory*, with Lars Ljungqvist, MIT Press, 2004; and *Robustness*, with Lars Peter Hansen, Princeton University Press, 2008.
